PROFILE

I'm a UX/UI Designer and Frontend Developer with a strong foundation in web technologies and a bootcamp certificate in Frontend Development. I've refined my skills at PolicyCON, contributing to various projects using React and Typescript. I'm always eager to learn, recently diving into Python, while focusing on visual storytelling and creative coding. I thrive in collaborative and fast-paced environments, constantly working to grow as a programmer.

TECHNICAL SKILLS

React, Vite, TypeScript, JavaScript, HTML, CSS, Figma, Node.js, Python, RESTful APIs, MongoDB, Git
